August 2015

Dear Friend,

On behalf of the Peace Days Committee, I invite you to join us in celebrating the harmony and cultural diversity of the citizens of Manitoba by ringing bells for peace. Communities around the world will be participating in the celebration of peace and compassion by ringing bells on September 21st at 12:01 PM.

International Day of Peace - September 21

Peace Days was inspired by Rotary World Peace Partners (www.worldpeacepartners.org). Peace Days grew out of a desire to celebrate the United Nations’ International Day of Peace, designated as September 21st each year.

Since 2010, the International Day of Peace has been celebrated in Manitoba while attempting to develop concrete actions aimed to promote a culture of peace and compassion.

Peace Days comprises a diversified program of events which have been created to appeal to people of all ages throughout the City of Winnipeg. A full schedule can be found on our website (www.peacedays.ca).

Let Winnipeg Hear Bells Ringing for Peace!

Together with people worldwide, Winnipeggers will be invited to hold a minute of silence at noon on September 21st. After which we hope that the sound of bells ringing for peace will be heard in every neighbourhood in Winnipeg. Please join us!

If you have questions about this or other events on the Peace Days calendar, please contact our coordinator, Eleonore Heinrichs, at eleonore.braun@gmail.com or info@peacedays.ca

Sincerely,

David G. Newman, Q.C.
